## leather case for AirPods

AirSnap is a full-grain leather case tailored to protect your AirPods while also keeping them close at hand. Slip your AirPods Charging Case into AirSnap, fasten the metal snap and your pricey ear buds are safe and sound but still easily accessible. Hook the swivel clip on AirSnap to a backpack or bag so they're right where you left them when you're ready to rock. A handy cutout on the bottom of AirSnap lets you recharge your AirPods while they're safely inside the case. AirSnap is available in black, cognac and deep teal.

### Key facts:

- Full-grain leather case designed to protect AirPods
- Incorporated clip keeps AirPods attached to your bag or backpack
- Secure snap closure keeps AirPods secure when on the go
- Bottom cut-out for convenient charging

AirSnap available in Deep Teal, Cognac & Black
