

BookArc möd

natural wood dock for MacBook

Coordinates with your room as well as it matches your Mac.

BookArc möd is a meticulously crafted hardwood MacBook stand that blurs the lines between furniture and technology. Inspired by the remarkable spaces many MacBook owners inhabit, this beautiful arc-shaped stand elevates your MacBook up off your desk for a clean workspace. Delivered in museum-quality packaging, this stand looks more like a fixture for your home than an accessory for your Mac.

Key facts:

- Free up valuable desk space by elevating MacBook off the desk
- Cable management keeps desktop connections handy and accessible
- Compatible with MacBook (12-inch), MacBook Air, MacBook Pro (Retina), and MacBook Pro (USB-C/Thunderbolt 3)
