

BookBook for iPad

hardback leather case for iPad

Cover to cover, this is a killer case.

BookBook for iPad is a handmade, one-of-a-kind, hardback leather case for iPad. This multi-functional case features an interior support frame that creates a variable-angle display stand and a built-in typing stand. Along with its vintage look, this case makes your iPad feel as if you're holding a real book, and in many ways you are. BookBook for iPad provides two forms of protection. First, the hardback cover and rigid spine provide impact protection for your prized iPad. Second, the unique vintage book design of this case disguises iPad, helping protect it from theft.

Key facts:

- Handmade genuine leather case
