

BookBook for iPad Pro

hardback leather case and easel for iPad Pro

Our newest installment, just for iPad Pro.

BookBook for iPad Pro is a gorgeous leather case reminiscent of a vintage sketchbook. Designed to free the artist in you, this BookBook tilts iPad Pro to the sketcher's angle for effortless drawing, painting and sketching your next big idea or creation. When your work is done, fold BookBook into presentation mode to show off your masterpiece. When the show's over, know that your work is safely housed in a protective portfolio designed for the digital world. BookBook for iPad Pro has built-in holster for your Apple Pencil or stylus. Let BookBook inspire the artist in you.
