

Compass 2

mobile stand for iPad

Compass stands and delivers.

Compass is a stylish, compact folding stand that works as an easel and a typing stand for iPad. As an easel, Compass beautifully displays iPad in both portrait and landscape modes. To transform Compass into a typing stand, simply flip down the secondary leg and this super portable stand sits at a perfect angle for comfortable typing on the iPad onscreen keyboard. From FaceTime conversations, to Keynote presentations and interacting with your favorite apps, Compass lets you see and do more with iPad. Includes soft case for travel.

Key facts:

- Folding, mobile easel designed for iPad
- Holds iPad in portrait and landscape modes
- Secondary leg positions iPad perfectly for typing

Compatibility:

Works with iPad Pro (9.7-inch), iPad Air (1/2), iPad mini (1/2/3/4)

Available in Silver, Matte Black, Gold & Rose Gold
