

# HiRise 2 Deluxe

adjustable charging stand for iPhone + iPad

## A charging home for your devices.

We all have that spot where we drop our stuff the moment we step into our home or office. To help you make that go-to spot less cluttered, we created HiRise 2, the ultimate home for all your Lightning powered devices. This newly refined version of HiRise is one third smaller to free up space, twice as heavy for extra stability and features elegant curves inspired by the newest iPhone design. Use this beautiful little stand for hands-free use of your iPhone or iPad, while keeping all your Lightning connected devices fully charged. HiRise Deluxe includes both MFi-certified Lightning and Micro-USB cables, keep your iPhone charged, even in a battery case like the Mophie Juice Pack.

### Key facts:

- Charges iPhones, iPads and most smartphones
- Elevates screen for hands-free desktop use and display
- Adjustable Support Posts fit most shells and cases

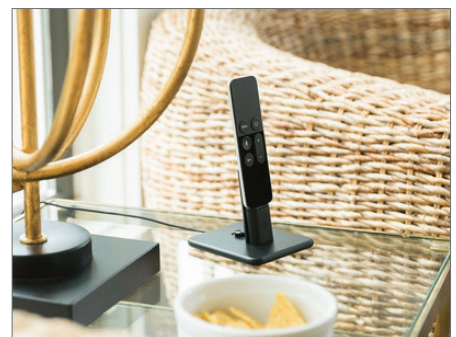

### Compatibility:

Compatible with Lightning-based iOS Devices (iPad, iPhone and iPod) and Micro-USB powered devices including iPhone extended battery cases.

### What's in the box:

- HiRise Deluxe
- Height-adjusting cable clips
- MFi-certified Lightning Cable
- Micro-USB Cable

Available in Silver, Technical Black and Matte White

We're not just Mac *friendly* – we're Mac **only**.  **twelve south**
