

HiRise for MacBook

adjustable stand for MacBook

Designed for laptops (and people) of all sizes.

HiRise for MacBook is a beautifully designed, height-adjustable stand that elevates your laptop to a comfortable desktop. HiRise does what fixed stands can't do. It lets you set your MacBook Pro or MacBook Air from a few inches, up to a half foot off your desk, which makes it perfect for MacBooks and users of all sizes. You'll see HiRise as more of an upgrade than an accessory.

Key facts:

- Raises MacBook up to 6-inches to your ideal ergonomic viewing height
- Aligns MacBook with external display for the ultimate dual-screen workstation
- Pair with a full-size keyboard and mouse for the most comfortable home setup
- Non-slip arms hold all size MacBooks - from 11-inch Air to 15-inch Pro

Compatibility:

Works with all models of MacBook, MacBook Air and MacBook Pro

What's in the box?

HiRise for MacBook

We're not just Mac *friendly* – we're Mac **only**.  twelve south
