

## HiRise for Apple Watch

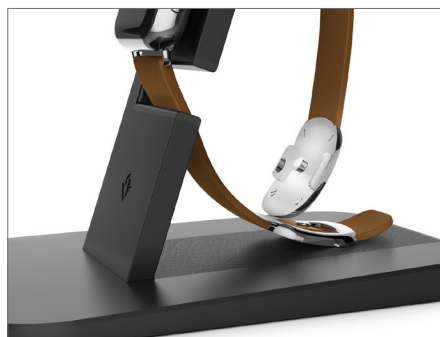

charging stand for Apple Watch

### The bedside stand you want for your watch.

HiRise for Apple Watch is an elegant, modern stand that showcases your beautiful new high-tech timepiece while you charge it overnight. The sturdy HiRise holds any Apple Watch at an elevated height and angle that lets you interact with your watch while it's charging. It only takes a moment to insert (or remove) your Magnetic Charging Cable, and it can be used with any style Apple Watch band, including closed-loop metal bands. Thoughtful silicone accents and a leather landing pad on back protect your watch, buckled or not. HiRise, available in Silver and Black, works with your Apple Watch Magnetic Charging Cable (not included).

#### Key facts:

- Supports Apple Watch while charging overnight
- Elevates and displays screen while charging
- Magnetic Charging Cable inserts and removes easily
- Silicone & soft leather pad protect all styles of bands
