Journal for iPhone

Leather Wallet Shell and Display Stand

All leather, luxury case.

Designed exclusively for MacBook, iPhone and the accessories that accompany them, this line of premium leather cases is crafted from New Zealand hide. Crafted in genuine leather, Journal is the perfect blend of case and premium wallet which will patina with age and use. A built-in viewing stand allows for hands-free FaceTime chats or watching videos. With it's beautiful leather-wrapped iPhone shell, ID window, card slots and a convenient cash pocket, you'll always have your essentials in one place.

Key facts:

- Full leather wallet and display stand
- Integrated shell protects from drops and bumps
- 3-slot wallet with ID window and cash pocket
- Built-in display stand angled for hands-free viewing
