

MagicBridge

for Apple Magic Keyboard & Magic Trackpad 2

Connect your Apple Magic Keyboard to your Apple Magic Trackpad 2

MagicBridge is the perfect accessory to streamline your Apple Magic Trackpad 2 and Apple Magic Keyboard, creating the sleek, one-piece input device you've been imagining. MagicBridge creates an amazingly efficient keyboard you can pair with iMac, MacBook or your Apple home theater setup. Use it on your desk, the sofa or anyplace else you use your your favorite Apple peripherals.

Key facts:

- Organizes desk and creates a tidy two-in-one combo
- Holds trackpad on either left or right of keyboard
- Easy access to power switches and Lightning ports for charging
- Works with Apple Magic Keyboard and Magic Trackpad 2 (not included)
