

SurfacePad for iPad

ultra-slim luxury leather cover for iPad mini / iPad Air

Don't call it a case.

SurfacePad for iPad is a luxury leather cover, a hands-free, multi-angle viewing stand and a typing wedge rolled into an impressively-thin shield for iPad mini / iPad Air. The stylish, premium leather wrap protects both sides of iPad, without hiding or disguising iPad's beautiful profile. The hardback front cover is lined with soft felt to protect your iPad screen. Flip open the cover, SurfacePad wakes up your iPad; close it and iPad goes to sleep. Oh-so-modern and innovative, this is the cover you've been looking for. SurfacePad is available in Red Pop, Modern White and Jet Black.

Key facts:

- Watch videos and FaceTime hands-free with built-in stand
- Built-in wedge holds iPad at a perfect angle for typing
- Shield iPad from scratches and scrapes without a bulky plastic case
- Securely adheres to back of iPad, leaving no residue when removed
