

## SurfacePad for iPhone 6s / 6s Plus

ultra-slim luxury leather cover for iPhone

### Minimalist cover for your iPhone.

SurfacePad for iPhone is a different type of protection for iPhone. Feather light and credit card thin, SurfacePad adheres to, and wraps around, iPhone. Rather than protecting your iPhone from falling off a cliff, the luxury leather SurfacePad shields your iPhone from more common hazards, like the keys in your pocket. This minimalistic, napa-leather cover has a built-in stand for hands-free iPhone use. It's the perfect cover for those who have an iPhone, and are not afraid to show it. Available in Camel, Red Pop, Modern White, Jet Black and two new colors for 2016 – Lavender and Midnight Blue.

### Key facts:

- Wrap iPhone in a thin, genuine leather jacket
- Watch videos and FaceTime hands-free with built-in stand
- Carry your ID and Bank Card in two convenient pockets
- Securely adheres to back of iPhone, leaving no residue when removed

### Compatibility:

- iPhone 6
- iPhone 6s
