

TimePorter for Apple Watch

accessory travel case + charging stand

A time capsule for your Watch accessories.

TimePorter for Apple Watch sets the standard for how you carry your essential Watch accessories. This gorgeous capsule is both a case and a stand. TimePorter holds your charging cable, an extra Watch band, your USB charger and more in a neatly designed, silicone-lined case. Pop your charging disc into the integrated opening in TimePorter and drape Apple Watch across the top to charge. With Apple Watch resting on TimePorter, open the case to the preferred angle and TimePorter transforms into a viewing stand, perfect for viewing notifications.

Key facts:

- Compact travel case for your essential Apple Watch accessories
- Holds magnetic charging disk, power adapter and extra bands
- Built-in spool neatly manages extra cable while charging
- Opens to create a multi-angle travel charging stand
