Forté for Apple Watch

“If Apple Made An Apple Watch Stand,
It Would Be the Forté”

– [Tech Crunch](#)

“Whether you prefer to charge your Apple Watch in portrait mode or take advantage of landscape mode for the Nightstand feature, the Forté supports it.”

– [MacRumors](#)

“That chrome-and-leather body also looks fabulous resting on just about any surface... it looks natural on them all. If you're looking for a great display for your Apple Watch and a place to charge it, too, you can't go wrong with Forté.”

– [iMore](#)

“I can’t say enough good things about Forté for Apple Watch. It’s a modern marvel of design and really makes a statement with the Apple Watch or on its own.”

– [Mac Sources](#)

“Forte makes it look like your Apple Watch is floating in mid air when looking at it from the front. It’s a really neat effect that makes the Forte one of the more attractive charging stands on the market.”
